Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1.- 20. (Canceled).

21. (Previously Presented) A mail delivery system, comprising

a series of mail holding devices each comprising a pair of flexible side walls, a bottom uniting the side walls along mutually superposed edges thereof, and an open top, the mail holding devices being disposed side by side such that open tops face a common direction and form a row;

one or more mail pieces placed in each mail holding device;

- a container that holds the series of mail holding devices with mail placed therein; and
- a frame in the container from which the mail holding devices hang in an upwardly opening position.
- 22. (Previously Presented) The mail delivery system of claim 21 wherein the mail holding devices comprise bags.
- 23. (Previously Presented) The mail delivery system of claim 21 wherein the container comprises a tub in which the frame and a series of mail holding devices are disposed with the open tops facing upwardly.

- 24. (Canceled).
- 25. (Previously Presented) The mail delivery system of claim 22 wherein a series of flexible walled bags are disposed side by side in the container such that mouths of the bags face upwardly and form a row.
- 26. (Currently Amended) The mail delivery system of claim 23, the frame further including:
 - a pair of side rails; and
 - a plurality of pairs of dividers supported by the side rails; and
 - a plurality of the mail holding devices positioned between adjacent pairs of the dividers.
- 27. (Currently Amended) The mail delivery system of claim 26 wherein each of the mail holding devices comprise bags positioned between adjacent pairs of the dividers.
- 28. (Currently Amended) The mail delivery system of claim 21 wherein the mail holding devices comprise pockets of a multibag multi-bag.
- 29. (Previously Presented) The mail delivery system of Claim 28, wherein the container comprises a tub in which the multibag is placed so that the pockets of the multibag multi-bag open upwardly.

30. - 34. (canceled)

- 35. (Previously Presented) The mail delivery system of claim 21 wherein the mail pieces are disposed in the mail holding devices in an order according to a sortation scheme.
- 36. (Previously Presented) The mail delivery system of claim 21 wherein the container has an open top.
